Poppy can't stop dancing! She hops, spins, and slides through life like every day's a disco at the South Pole.

Riri may look tough, but she's a total softie who loves muddy adventures. She's brave, curious and always got your back

Babu's got a bold attitude and a love for fruit smoothies. He's a rock collector with a serious giggle.

Bongi is a gentle giant, always munching on something green. He is calm, strong and happiest when he is chilling with his friends.

Emmy loves puddles, peanut butter and playing hide and seek in the savannah. Her big ears help her hear secrets from miles away.

Lebo might be the king, but he's more cuddles than claws. He dreams of opening his own jungle jazz band!

Gigi is the tallest gossip in the herd. She's got a sweet tooth for mangoes and a heart that stretches just as far as her neck.

Luma loves late-night stargazing and naps in trees. She's quiet, clever and surprisingly ticklish.

SANCCOB Plush Collection

At Snuggle Squad, we are proud to offer our exclusive SANCCOB Plush Collection. This collection is not just about providing delightful penguin plush toys; it's about giving back. A portion of the proceeds from this collection goes directly to SANCCOB (Southern African Foundation for the Conservation of Coastal Birds), supporting their efforts in rescuing, rehabilitating, and releasing seabirds.

The African penguin, featured prominently in our SANCCOB Plush Collection, is an endangered species facing numerous threats in the wild, including habitat loss, oil spills, and declining fish populations. Our penguin plush toys are not just adorable; they represent a critical conservation effort. By purchasing from our SANCCOB range, you are contributing to the protection and preservation of these charming birds. Every sale helps fund SANCCOB's crucial work, from rescuing injured penguins to supporting breeding and research programs aimed at bolstering the wild population.

Gift someone special and SANCCOB is gifted too.
